By Road Motorways and network of trunk roads provide excellent routes from throughout the UK. The nearest car parks to the EICC are in Simple Street and Morrison Street.

CONGRESS CATERING

All Congress catering at the EICC is included in the registration fee and will be served in the Cromdale Hall on the lower ground floor where the exhibition is located. Lunch will not be available on the Thursday but drinks, croissants and muffins will be served during registration from 12 noon. Buffet lunches, including vegetarian options, will be served on Friday and Saturday.

SOCIAL EVENTS

1900 - 2100 Thursday 12 May 2005

Edinburgh Castle Reception

Every fee paying delegate is invited to this magnificent venue. Confirmation of attendance must be provided on the registration application form so that tickets can be issued for security reasons.

Edinburgh Castle is Scotland's most famous monument and guests will have exclusive tours of the Honours of Scotland Exhibition which houses the Scottish Crown Jewels, the Stone of Destiny, the Royal Apartments and the Castle Vaults. Drinks and canapés will be served throughout the Castle to the accompaniment of traditional Scottish music.

1930-2345 Friday 13 May 2005

Congress Dinner at the Royal Museum

Ticket Cost: £65 Dress: Black Tie

Considered by many to be Scotland's finest example of Victorian architecture, the Main Hall was inspired by the designs for Crystal Palace. Unique in Scotland, infinite slender columns and four curving staircases create a sense of grace and elegance. Dine in splendour and be entertained by the highly sought-after Jauncey Brothers Band who will doubtless make this evening a night to remember.

Tickets will be allocated on a first-come, first-served basis as the capacity of the venue is limited to 400.

Book early to avoid disappointment.

GENERAL INFORMATION

12 - 14 MAY • EICC • SCOTLAND

GOLF

Local members are keen to encourage visitors to conclude the meeting with a friendly competition on **Sunday 15 May**. There will be a green fee and your advance commitment is necessary so that tee times can be booked. Please contact the office if you wish to discuss further. Details will be sent to all delegates who have shown an interest.

Please complete details on the Application Form.

SIGHTSEEING

Edinburgh is famous for its historic buildings, museums, galleries, shops and restaurants. From the stunning and controversial new Scottish Parliament building to the Queen's official residence in Scotland, The Palace of Holyrood House at the end of the Royal mile, Edinburgh's tourist attractions are too many to list. The Royal Mile alone is home to many of the worlds most popular tourist attractions and the Royal Yacht Britannia has now moved to her final berth at Ocean Terminal, Edinburgh's stylish new waterfront retail and leisure development in the historic port of Leith. Not to mention the fabulous woollen mills and cheap cashmere sweaters.....

If time is limited take a guided open topped bus tour from many pick up points around the city.

The centre of town is full of quality eating places. Popular restaurants do get booked up. If you want to avoid disappointment, make your booking in advance and do remember that the Scots like to dine early, hence the restaurants are not necessarily open all hours!

CONGRESS UPDATE

Ongoing information regarding the congress will be posted on the **ADI** website.

ACCOMMODATION

The Edinburgh Convention Bureau will operate a comprehensive booking service for all delegates wishing to book accommodation during the Congress. Please check the information on the appropriate pages and complete and return the booking form directly to the ECB as directed. There is a wide choice of hotels and rooms available at competitive prices for all delegates and exhibiting personnel.

To secure your first choice options, early application is strongly recommended.

EXHIBITION

The Congress will include an extensive shell scheme exhibition with some 50 implant-related companies represented. The companies will be posted on the **ADI** website during the next few months and a full list of exhibitors and their contact details will be printed in the final programme to be handed out on site.

MAJOR SPONSORS

The **ADI** wishes to publicly acknowledge the generosity of eight companies who have enabled the Association to maintain its highly acclaimed level of international speakers with the production of this major 2005 programme.

Astra Tech, Biohorizons UK, Dentsply/Friadent, Geistlich Biomaterials, 3i Implant Innovations, Nobel Biocare, Osteo-Ti and Straumann.

BIOHORIZONS UK

Geistlich
Biomaterials

Nobel Biocare

straumann
UNITED KINGDOM

THE ADI

The office will be pleased to help and advise any delegates with their queries either before or after registration.

Early booking is recommended to secure a place on the delegate list. Early reservations for accommodation and travel will ensure the best and cheapest options.

With over 1000 participants expected, **ADI 2005** promises to live up to expectations and Edinburgh promises to offer an unparalleled programme of science and culture for the entire dental team. To help the **ADI** organise a successful meeting, please complete the application forms carefully stating social options and attendance at sessions.

EDINBURGH
12-14 MAY 2005

GENERAL INFORMATION

12 - 14 MAY • EICC • SCOTLAND

THE ASSOCIATION OF DENTAL IMPLANTOLOGY UK

From its foundation by a small group of forward thinking clinicians in the mid 80's, the **Association of Dental Implantology UK**, has become the representative body of implant dentistry in the United Kingdom with nearly 1,200 active members.

The **ADI** is a registered **Charity**, dedicated to postgraduate education and to fulfilling the needs of a rapidly expanding membership of clinicians, technicians, researchers, hygienists, nurses and individuals working in the implant related industry.

The **Charity's 15 Trustees** include a **President, President Elect and Secretary/Treasurer** elected bi-annually by the membership representing all regions of the UK. A **Scientific Adviser** to the Association is appointed by the President. Head office, currently administered by three full time staff is based in south west London.

In meeting the demand for postgraduate dental implant education, the ADI continues to provide an unrivalled series of lectures, meetings and masterclasses each year. A major international Congress featuring the world's current leading speakers is organised every other year.

The **ADI** continues to gain recognition within the profession for maintaining a non-aligned stance in the very competitive field of dental implantology and is currently assisting the **GDC** with its mandate to provide an acceptable standard of implant care for patients in the UK.

The implant-related industry regularly exhibit and support **ADI** meetings and current product information is maintained on the **ADI** database to help members with sourcing material.

The **ADI** processes an increasing number of dental implant enquiries from the general public. The **BDHF** and **BDA** refer all implant related enquiries to the **ADI**. All enquiries receive a written reply explaining the role of the **ADI**, complimentary implant information leaflets and a list of local members for those who wish to seek further advice or possible treatment.

The profession increasingly contact the **ADI** for advice on where to start with dental implant education. The **ADI** maintains information on independent and company courses and is able to source information on current academic training pathways.

The recently re-structured interactive website is becoming an increasingly useful tool for the dissemination of information both for the profession and the public. Members have secure access to an on-line forum for the exchange of information and a full list of all **ADI** events is maintained on a daily basis.

Membership is open to all those who have an active interest in dental implantology and the benefits of membership include:

- reduced cost of "**ADI Implant Protocols**"
- bi-monthly journal "**Dental Implant Summaries**"
- friendly, informative regional '**Study Club**' evenings
- regional and website listing for patient referral
- complimentary inclusion on website
- regular mailings of implant meetings
- complimentary issues of **ADI Newsletter**
- **Implant Information Leaflets** for patients
- discount on **Academic Journals**
- data base service for product information

If you are not already an **ADI** member and would like to join the **Association** you may download details from the **ADI** website www.adi.org.uk or contact the **ADI** at:

98 South Worple Way, London SW14 8ND
T: 020 8487 5555 F: 020 8487 5566
email: adi.uk@btinternet.com www.adi.org.uk

THE PROGRAMMES

12 - 14 MAY • EICC • SCOTLAND

SCIENTIFIC Programme

The 2005 Congress has 4 separate scientific programmes to encourage participation by all members of the dental implant team - dentists, surgical, restorative and maxillofacial specialists, technicians, nurses, hygienists and practice staff.

All delegates are invited to the official opening at 1400 on **Thursday 12 May** and the first scientific session in the main auditorium. After the tea break, the nurses/practice staff and hygienists move to commence their own programme in the **Fintry Auditorium**.

On **Friday 13 May** there will be three parallel programmes - **clinicians, nurses/practice staff and hygienists**.

On **Saturday 14 May** there will be two parallel programmes - **clinicians and technicians**.

The registration fee is structured to enable technician attendance at the plenary programme sessions on **Thursday and Friday** in addition to the **Technicians Programme** on **Saturday**.

These options must be completed on the Registration Form.

The registration fee for nurses, practice staff and hygienists is structured to enable attendance at the opening **Plenary Session** on **Thursday 12 May** and the **Plenary Sessions** on **Saturday 14 May** in addition to the specific programmes on **Thursday** afternoon and all day **Friday**.

These options must be completed on the Registration Form.

NURSES & HYGIENISTS Programmes

All delegates are invited to the official opening and the first scientific session presented by **Dr Henry Salama** in the main auditorium on **Thursday 12 May**. After the tea break, the nurses/practice staff and hygienists will move to commence their own programme in the **Fintry Auditorium**.

On **Friday 13 May** there will be two parallel programmes - **one for nurses/practice staff and one for hygienists**.

On **Saturday 14 May**, all registered **nurses/practice staff and hygienists** may join in the main programme in the **Penland Auditorium**.

The registration fee for **nurses, practice staff and hygienists** is structured to enable attendance at the opening **Plenary Session** on **Thursday 12 May**, the **Welcome Reception** at **Edinburgh Castle** and the **Plenary Sessions** on **Saturday 14 May** in addition to the specific programmes on **Thursday** afternoon and all day **Friday**.

These options must be completed on the Registration Form.

The Educational Team from the USA: Edie Schuman Gibson RDH, Kathi Carlson, Lynn Terracciano-Mortilla RDH and Christine Uhen have each been working and lecturing in implant dentistry in the USA for nearly 20 years. Their knowledge, enthusiasm and communication skills are extensive and will provide education and advice for nurses, hygienists, practice managers and all staff involved in the busy implant practice.

Carmen Lanoway from Munich will present a contrasting European view while **Georgina Martin** from Guy's Hospital in London will provide a useful UK perspective.

To lighten the scientific element and encourage participants to achieve their own goals, **Simon Hocken** will inspire all participants with his renowned personal coaching skills.

THE PROGRAMMES

12 - 14 MAY • EICC • SCOTLAND

TECHNICIANS Programme

Welcome to our **Technician Programme** for which I am to blame. The world of dentistry is in the midst of great change which directly affects all of us in our working lives. We are at the beginning of a great opportunity to show our professionalism to our clinical colleagues and take our place alongside them in the search for improvement in the treatment choices for our patients. Our speakers reflect not just the Internationalism of dentistry but the need to improve skills and our appreciation of the technicians place in the scheme of modern dental practice. With registration and continuing professional development the technical specialist is not just a possibility but must be taken on board as a true goal. Degree courses alongside vocational training are producing a more discerning and demanding graduate. Hopefully today's speakers will provide not just interesting case histories but true food for thought and useful information with which to continue to develop our skills and knowledge in order to better serve our patients.

Larry Browne ADI Committee Representative

The technician registration fee is structured to enable technician attendance at the **plenary programme** in the **Pentland Auditorium** on Thursday afternoon, the **Welcome Reception** at Edinburgh Castle on Thursday evening and the **plenary programme** in the Pentland Auditorium on Friday in addition to the specific **Technicians Programme** on Saturday.

These options must be completed on the Registration Form.

Mark Osborne has lectured extensively in the USA, Europe and the UK. His experience gained from years of running a London West End Laboratory working alongside patient and dentist, combined with his one day teaching programmes, will launch the programme with his sound and proven principles for successful aesthetics.

Mark Gilbert's long experience as a laboratory manager and owner prior to a decade in the teaching arena at Manchester Metropolitan University (degree level diploma programme in Professional Studies (Implantology)), will provide a unique opportunity for technicians to extend their knowledge on the complexity of influences and the inter-relationships that exist within the implant team.

Ruth Bourke, known to many in the implant world from her days with working with John Besford in London and her senior lecturing days in Manchester, worked at the University of Washington Dental School before rejoining a commercial laboratory in Seattle. Ruth is a worthy technician to be presenting her review of contrasting the biomechanical limitations of a maxillary implant retained denture with patients' needs and expectations.

Steve Taylor finds time from running his busy 10-technician laboratory in Leyland to presenting practical courses on a range of subjects including occlusion, ceramics and implants. In this programme he will clarify guidelines and procedures in a commercial laboratory environment during the construction of implant restorations including abutment preparation and design.

Barbara Hutchinson's first marketing position after graduating from Leeds University in 1989 was in dentistry. For 15 years, Barbara has been responsible not only for strategic marketing but also for actually putting the theory into practice. Her presentation outlining the key factors in effectively communicating the laboratory's message and offering practical solutions of how to promote and market successfully should have a wide appeal to all laboratories wanting to be more involved in dental implant cases.

Bernhard Egger, world renowned Master Technician, lecturer and author from Germany will conclude the programme with a superb visual presentation on case planning and aesthetics on implants to send everybody away with positive visions of how to extend their own careers in the increasingly sophisticated realm of dental implantology.

ASSOCIATION OF DENTAL IMPLANTOLOGY (ADI) 12 - 14 MAY • EICC • SCOTLAND

EDINBURGH CONVENTION BUREAU

ACCOMMODATION BOOKING SERVICE

As a large city in a relatively small area, Edinburgh is often described as the walking city. With over half of its accommodation located within three kilometres of the city centre, Edinburgh is particularly well suited to the needs of conference delegates.

This is where the accommodation booking service of the **Edinburgh Convention Bureau** comes in. We have used our local knowledge and contacts to negotiate the best rates for delegates attending the **ADI 2005 Congress**.

Allocations of rooms in several hotels have been reserved for the use of delegates attending the Congress and there are also alternative options throughout the City of smaller hotels, guesthouses and self-catering/serviced apartments.

As you would expect from an organisation representing Edinburgh, our standards are very high. The accommodation on our database is inspected by **VisitScotland** and graded with its **Quality Assurance Star** scheme.

TO MAKE A RESERVATION

The **Edinburgh Convention Bureau** offers a free accommodation booking service to delegates. Please complete and return the accommodation booking form as soon as possible.

Please indicate your accommodation preference on the booking form. Wherever possible we will attempt to provide you with the accommodation of your choice, although room numbers are restricted, so substitution may be necessary. In this event we will book accommodation of a similar standard and price range.

Credit card details are required to make a booking and confirmation of the reservation along with a pocket map will be sent to your mailing address. Payment should be made directly with the hotel, guest house or self catering/ serviced apartment at the time of your stay. Rooms reserved which are not cancelled within the cancellation policy will be subject to a charge. Please refer to our **Terms & Conditions of Bookings** (below).

To discuss your requirements or make a booking please contact the
Conference Accommodation Booking Service
Edinburgh Convention Bureau

4 Rothesay Terrace Edinburgh EH3 7RY

Tel: +44 (0)131 473 3874

Fax: +44 (0) 131 473 3878

Email: conventions@eltb.org

TERMS AND CONDITIONS OF BOOKING

- **Edinburgh Convention Bureau Conference Accommodation Booking Service (CABS)** makes this reservation as an Agent for the accommodation provider, and does not accept any liability in connection with the reservation.
- Once a reservation has been made on your behalf, a written confirmation will be issued to you. This reservation constitutes a legally binding contract between you and the accommodation provider. The nearest available alternative will be booked if the preferred allocation is unavailable. You will be responsible to the provider for payment of the accommodation cost. You will be responsible for payment of charges for any additional services subsequently contracted with the provider.
- Your booking details as confirmed on the **Conference Accommodation Booking Form**, including your name, address, contact details and credit card number will be forwarded to the accommodation provider. If requested, your accommodation details may be passed to the **Conference Organiser**.
- Any amendments or cancellations should be addressed in writing to **CABS**.
- In the event of non-arrival or cancellation within 24 hours of arrival, the accommodation provider is entitled to charge your credit card with the total for the first night's agreed price. We strongly advise you to consider cancellation insurance.
- The **CABS** does not accept liability for the actions of those in accommodation arrangements, over whom we have no direct control, eg hotels etc. Nor will the **CABS** be under any obligation or liability for cancellations caused by industrial disputes, riots, bad weather, epidemics, fire, governmental action or any other events beyond our control.
- It is a condition of acceptance of any booking made by the **CABS** that we shall not be held accountable in any way for any loss, injury or damage occasioned as a direct result of any act, error or omission on the part of the **CABS**, its agents or employees in or related to the implementation of the booking.
- Neither the **CABS** nor the accommodation provider will be responsible for the provision or non-provision of facilities or services which have not been specifically requested at the time of booking.
- Every effort is made to ensure that the accommodation booked is of a satisfactory standard. All accommodation providers in membership of Edinburgh and Lothians Tourist Board hold a valid **Scottish Tourist Board Quality Assurance Award**. In the case of complaint, this must in the first instance be brought to the attention of the management of the establishment. If satisfaction is not obtained, please contact the **CABS** in writing.
- From time to time **ELTB** or other tourism related organisations, which must be registered under the **Data Protection Act**, may write to you about their products or services. If you prefer not to receive this information please write to **ELTB, 3 Princes Street, Edinburgh, EH2 2QP**.

HOTEL ACCOMMODATION

Allocations of en-suite rooms have been reserved in the following hotels, many of which are located within the city centre. These rooms will be held until **31 March 2005**, thereafter we will be pleased to deal with accommodation requests on an availability basis.

ALL PRICES ARE PER ROOM PER NIGHT AND INCLUDE BREAKFAST & VAT, UNLESS OTHERWISE STATED
