

Team Congress
14-15 April 2011
Manchester

what we know, what we think we know and what
we think we don't know about implant dentistry

PROGRAMME & REGISTRATION FORM

Organised by the Association of Dental Implantology UK
as part of its continuing postgraduate implant education programme

WELCOME

Dear Colleague

I have great pleasure in announcing the **2011 ADI Team Congress**, and I am also delighted to announce that we are taking the meeting to a brand new venue: Manchester Central Convention Complex.

The Congress has now become the leading dental implant meeting in the United Kingdom and one of the foremost in Europe, with the unique combination of a plenary programme with internationally renowned speakers, parallel sessions for all dental care professionals, an exhibition and a fantastic party.

The title of the congress is **'What We Know, What We Think We Know and What We Think We Don't Know About Implant Dentistry'**.

The Congress will focus on the changes of opinion and practice that have occurred over the last 20 or so years, and together with my Scientific Chairman, Michael Norton, we have put together a programme of speakers that I believe is unsurpassed for a UK implant meeting.

The speakers have been asked to address the following aspects of implant dentistry:

- **techniques and opinions previously advocated that are now not so, or visa versa**
- **the full circles travelled by implant clinicians in their daily practice over a period of time**
- **the controversies and conflicts that we see in the practice of implant dentistry**

Dental implantology is a team specialty and the 2011 Congress programme continues to uphold and endorse this ethos. The team programme includes sessions for dental nurses, dental hygienists/therapists and practice managers, with the dental technicians being included in the plenary programme where we have two world-class technicians speaking.

I am particularly excited about the congress party, **"A Hard Day's Night"**. It is being staged at Lancashire County Cricket Club (aka Old Trafford Cricket Ground) in The Point, a brand new purpose-built function suite overlooking the cricket ground. In addition to a cocktail bar we have a variety of entertainment, and top of the bill is the world famous **BOOTLEG BEATLES**, who are the best tribute band around.

This major event enables members and non-members, implant team staff and professional colleagues to renew friendships, make new contacts, discuss topical issues and catch up with the latest developments in this constantly growing specialty.

Please note the new Early Bird Fees - in view of the current economic climate, we have deliberately kept these rates below those of the last two congresses. Book soon, as these special rates are only available until 12 October.

I look forward to welcoming you, and hopefully all your team, in Manchester next April.

Stephen Jacobs, President

THE ADI

The Association of Dental Implantology UK is a non-profit making registered Charity dedicated to the provision of on-going education to the profession and to raising the awareness of good standards of practice for the benefit of the public. Membership is open to all who have an active interest in dental implants. Established over 20 years ago to meet the needs of the GDP eager to learn about osseointegration techniques, current membership stands at almost 1,800.

The ADI extends its membership services to encompass the entire dental implant team and offers tangible benefits to dental implant professionals at all levels of ability. Full details are available at www.adi.org.uk, or please call **020 8487 5555** to discuss your needs.

TRAVEL

By Car: Manchester is at the heart of the Northwest's motorway network with easy access from all directions onto the M60, the city's orbital motorway. Once on the M60 exit at Junction 12 and join the M602 signposted towards the city centre. Follow the A57 straight on from the end of the M602 passing under a railway bridge before taking the left-hand exit to merge onto the A56 Bridgewater Way. Turn right onto Whitworth Street West at Deansgate Station and then turn left onto Albion Street. The entrance to the Manchester Central Convention Complex Car Park is through the next set of traffic lights on the left, opposite The Bridgewater Hall. This is a **NCP car park** and is open 24 hours. The address details for sat-nav are: **Lower Mosley Street, Manchester M2 3GX**.

Some hotels have car parking availability. Check when you make your hotel reservation as all hotels will state their facilities and the nearest available NCP car park.

By Rail: Manchester Piccadilly Station is a 10-minute taxi ride away, and is linked to many regional networks.

By Air: Manchester Airport is a major international air traffic hub with frequent scheduled flights to the majority of key UK, European and international destinations. A taxi to the city centre takes approximately 30 minutes, or alternatively there is a regular rail service to Manchester Piccadilly Station that takes approximately 15-20 minutes.

INFORMATION

BOOKING PROCESS:

ONLINE: Visit www.adi.org.uk/congress2011 to register. This is the fastest and easiest way to book you and your team, and to ensure immediate confirmation of your booking.

BY MAIL: Complete the attached registration form, detach and post to the ADI with payment. Cheques should be made payable to 'ADI' and enclosed with your registration form.
