

25th ANNIVERSARY

Team Congress
1 - 3 May 2013
Manchester

How long do implants last?
Complications, risk management and prognosis

PROGRAMME & REGISTRATION FORM

Organised by the Association of Dental Implantology UK
as part of its continuing postgraduate implant education programme

WELCOME

Dear colleagues and friends,

On behalf of the ADI leadership team, I have great pleasure in inviting you to our **Team Congress** on the **ADI's 25th Anniversary** in **Manchester 1-3 May 2013**.

The Congress, which is entitled “**How long do implants last?**”, will focus on the **complications, risk management and prognosis of implant treatment**. In an era when patient demand and expectations are constantly rising and after nearly three decades of revolutionary research and development, we felt that this would be a highly relevant question to address: **what are the real challenges and problems facing us today that affect the success and longevity of implant treatment?**

We have invited some of the world's most eminent implantologists and researchers from **Europe, Asia, South America** and the **USA** to lead the Congress. In this respect, I am indebted to our Scientific Co-ordinator Eddie Scher and the ADI staff for working hard to plan the congress so meticulously in every small detail, from the choice of experts to developing highly focused learning objectives for each lecture and constantly negotiating with our speakers to ensure coherency and consistency throughout the congress. Needless to say, I am also grateful to all our speakers for accepting our invitation to participate - we can all imagine how busy they must be. We trust that it will be an outstanding conference fit to celebrate our association's 25th anniversary. Frankly, there will be so much to learn and debate for all of us; from the most experienced clinicians placing thousands of implants to novices hoping to get involved. To cap it all, John Wibberley, Simon Wright and David Speechly have put together one of the best line ups for the whole implant team: the nurses, practice managers, hygienists, therapists and dental technicians.

“**How long will my implants last?**” is a question posed by our patients on a daily basis. Frankly, the answer would be fairly straightforward; “forever” if everything were perfect given the best patient, the best implant and the best implant team. Sadly, clinical conditions are seldom perfect and therefore the outcome of treatment we provide is affected by a multitude of factors unique to each individual case. In order to satisfy high patient expectations, as well as to deliver long lasting predictable results, today's clinician needs to master a highly individualised risk management and treatment planning process guided by the best current evidence. It is said that as many as 60 different factors may need to be evaluated, as part of risk management strategy, when planning satisfactory treatment. Our world-renowned speakers have been briefed to look at the **biological, technical and mechanical** problems that commonly affect the outcome of implant treatment and give us **evidence-based** but patient-centred **practical tips and advice** on how to prevent complications occurring.

Naturally there will be a tremendous opportunity for us all to network and make new friends during the Congress, with experts and novices in attendance from all corners of the UK. We are particularly looking forward to welcoming our new clinician, technician and DCP members who have recently joined the association.

The congress is extremely well supported by the dental implant industry. We hope you will enjoy the congress exhibition which will be open throughout the congress on Thursday and Friday.

The congress party – **ADI Oscars Bash** – will be held at the historic **Midland Hotel** on **Thursday 2 May** featuring the excellent swing band **Dominic Halpin & the Honey Bs**.

I look forward to seeing you in **Manchester** in **May 2013**.

Best wishes,

Professor Cemal Ucer,
ADI President

THE ADI

The Association of Dental Implantology UK is a non-profit making registered Charity dedicated to the provision of on-going education to the profession and to raising the awareness of good standards of practice for the benefit of the public. Membership is open to all who have an active interest in dental implants. Established 25 years ago to meet the needs of the GDP eager to learn about osseointegration techniques, current membership stands at 1,900. The ADI extends its membership services to encompass the entire dental implant team and offers tangible benefits to dental implant professionals at all levels of ability. Full details are available at www.adi.org.uk, or please call +44 (0)20 8487 5555 to discuss your needs.

THE VENUE

Manchester Central Convention Complex Petersfield, Manchester M2 3GX

The MCCC offers an award-winning combination of conference and exhibition facilities that form a unique convention offering right in the heart of one of Europe's most dynamic and exciting cities. Complimentary **WiFi** will be available to all delegates as will a 2013 Team Congress **app**.

THE PROGRAMME

- Two full days of scientific sessions for Clinicians
- Dedicated Technicians' Programme
- Team Programme
 - dedicated Nurses' Sessions
 - dedicated Hygienists' & Therapists' Sessions
 - dedicated Practice Managers' Sessions
- Two full days of catering and Exhibition
- Optional Congress Social Event: ADI Oscars Bash
- One day of Pre-Congress Sessions

THE EXHIBITION

A major dental implant exhibition is accessible to delegates throughout the Congress. Join colleagues during the catering breaks on both days and visit the stands in the **Exchange Hall**.

Participating companies will actively demonstrate many increasingly diverse technologies and product lines new to the dental implant market.

The stand plan will be published in the on-site **Congress & Exhibition Guide**.

Exhibitors to date include:

360 Visualise - Acteon UK - BioHorizons UK - Biomet 3i - Bredent Group UK - CT Dent - DENTSPLY Implants
DIO Corporation - Foursquare Healthcare - Geistlich Biomaterials - General Medical - Henry Schein Minerva
IDT Dental Products - Implantium UK - MegaGen Implants - Morita - Neoss UK - Nobel Biocare UK
Optident - Osstem Implants UK - Planmeca - RA Accountants - Southern Implants - Straumann
Swallow Dental Supplies - The Royal College of Surgeons of Edinburgh

PRE-CONGRESS SESSIONS

WEDNESDAY 1 MAY 2013

All pre-congress sessions must be booked directly
with the company in advance as directed.

ADI AWARDS COMPETITION FOR CASE STUDY OR SHORT RESEARCH PAPER

The Midland Hotel, Peter Street, Manchester, M60 2DS Lancaster Suite. 14:00 - 16:00

The ADI invites postgraduate students (e.g. Dipl, MSc, PhD) and Clinicians to submit abstracts for case studies or short research papers. The authors of the best four submissions will be invited to give an oral presentation of their case study or research paper at this awards competition. A panel comprising ADI President Professor Cemal Ucer and ADI Scientific Co-ordinator Professor Eddie Scher will judge the best presentation overall and a prize of £500 will be awarded at the end of the Plenary Programme on Friday 3 May.

For submissions details and guidelines, please visit www.adi.org.uk/congress2013

Free attendance, but pre-booking essential on enclosed booking form

AN EVENING WITH MICHAEL WEISS & FRIENDS – Outperform the Competition Through Dental Implant Marketing

Speakers: Michael Weiss, Maria Hardman, Finlay Sutton, Neil Cooper, Andrew Nesbitt, with others to be confirmed

The Midland Hotel, Peter Street, Manchester, M60 2DS
Lancaster Suite. 19:00 - 21:00, followed by dinner

The two-hour workshop will focus on how to successfully outperform other dental clinics through Dental Implant Marketing Concepts based on the SKY implant Therapy Concepts.
CPD: 2 hours

£50, Bredent customers free, attendance limited to 50 participants

To book, please call Bredent +44 (0)1246 559 599 or visit www.bredent.co.uk/adi

Pre-booking required for all participants.

USE OF A 3-D COLLAGEN MATRIX FOR RIDGE PRESERVATION

Speakers: Professor Nikolaos Donos DDS, MS, FHEA, FRCSEngl, PhD
Head & Chair Periodontology, Director of Research, UCL Eastman Dental Institute, UK.
Dr Nikos Mardas, Eastman Dental Hospital, London UK

The Radisson Edwardian Hotel Manchester. 18:00 – 21:00
"Free Trade Hall", Peter Street, Manchester GB M2 5GP.

In recent years, the increased demand for aesthetics in procedures related to implant dentistry has created the need for developing techniques that will facilitate optimal aesthetics together with proper function of the implant borne reconstructions.

A number of surgical procedures involving different bone grafting procedures with or without the combined use of GBR have been evaluated in the literature. Socket seal is one of the

PRE-CONGRESS SESSIONS

WEDNESDAY 1 MAY 2013

techniques presented in the literature with satisfactory healing outcomes for both the patient and the practitioner. During this workshop, the healing outcome following different clinical ridge/socket preservation protocols and their impact in relation to implant dentistry will be critically evaluated and discussed. Special focus will be placed on the use and clinical/surgical handling of Mucograft for this type of procedures.

Given the hands on nature of the course there will be a maximum of 30 places. So early booking of places is vital. The course fee will be only £199 if booked before December 31st 2012. After that the full fee will be £249.

To book, please contact Geistlich on [+44 \(0\)161 490 2038](tel:+44(0)1614902038)

ANYRIDGE, MINIMALLY INVASIVE YET MORE EFFICIENT IMPLANT SYSTEM

Speaker: Prof. Dr. Kwang Bum Park, DDS, MS, PhD

The Midland Hotel, Peter Street, Manchester, M60 2DS
Fairclough Suite. 16:00 – 19:00

As we have held implant seminars for the last 20 years, we have received a lot of feedback from many people. They request easy and simple drills, fixtures that can demonstrate superior initial stability at any location and time regardless of the form and volume of the remaining bone, osseointegration achieved while gingival level maintained, and no loosening of abutment connections, already MegaGen implant has strived to realize these ideas from long time ago and now through AnyRidge implant system we come to meet the 'implant of the future' that we have dreamed about. The implant has all the advantages of the current implant design, can achieve long term stability by maintaining bone, eliminate in principle the screw loosening of the single implant crown which is gradually increasing in prosthetics, and at the same time maximising the comfort. In the presentation, we will share with you 'the ideas' which were the basis of AnyRidge implant system, 'the dream implant', and discuss the possibility and effectiveness of AnyRidge implant system which is the first outcome of the macroscopic design.

This is a complimentary lecture. To book, please contact MegaGen Office Manager Rhoda Weir on Tel: [+44 \(0\)1442 840 326](tel:+44(0)1442840326) or by e-mail rhoda.weir@megagen.co.uk

STRAUMANN CONGRESS PARTY

Australasia Bar & Restaurant, 1 The Avenue, Spinningfields, Manchester M3 3AP
19:30 – midnight

Come and enjoy an unforgettable evening with friends and colleagues at the Straumann party. The party will be held in Australasia, a stylish chic bar and restaurant located in the Spinningfields area of Manchester City Centre.

Australasia's plush surroundings make this the perfect opportunity to network with friends and colleagues, whilst enjoying drinks, food and live music.

Tickets cost £25 per person*

*Tickets are complimentary to Straumann Platinum & Gold Customers (one ticket per practice).

To book your place, please contact Sarah Gardiner at Straumann on [+44 \(0\)1293 651 255](tel:+44(0)1293651255)

PLENARY PROGRAMME

THURSDAY 2 MAY 2013

0800 Registration in Foyer

Tea/Coffee & Exhibition

SESSION 1: TREATMENT PLANNING

Moderator: **Professor Cemal Ucer**,
ADI President

0845 **Opening Ceremony & Scene
Setting: Risk Assessment Concept**
ADI President

TEAM PROGRAMME

THURSDAY 2 MAY 2013

	NURSES	PRACTICE MANAGERS	HYGIENISTS & THERAPISTS
0800	Registration in Foyer and <i>Tea/Coffee & Exhibition</i>		
	Moderator: Dr Simon Wright , ADI Director of Education		
0900	Dr Simon Wright - UK & Dr David Speechley - UK How long do implants last? Prognosis, risk factors and comparison to other modalities		
1030	<i>Tea/Coffee & Exhibition</i>		
1100	Dr Adam Noble - UK & Dr Robin Carson - UK Triage and managing complications		Mr Martin Ashley - UK Diagnosis and treatment of peri-implant disease
1200	Miss Helen Batty - UK, Miss Helen Frost - UK, Miss Amy Miller - UK Top tips for dental nursing in implantology	Mr Adam Hampson - UK Marketing your implant practice	
1230	<i>Lunch & Exhibition</i>		
1330	OPTIONAL WORKSHOPS 1 (see below for details) Please note: delegates must pre-book all workshops		
1415	OPTIONAL WORKSHOPS 2 (see below for details) Please note: delegates must pre-book all workshops		
1500	<i>Tea/Coffee & Exhibition</i>		
1530	Dr Zoe Wray - UK Treatment co-ordinator role in an implant practice	Dr Andrew Toy - UK Clinical governance, quality management and CQC workshop	Miss Mhari Coxon - UK Maintenance of dental implants
1615	Dr Robert Dyas - UK & Miss Gemma Spranklen - UK Surgical complications in implant dentistry		
1645	Q&A	Q&A	Q&A
1700	CLOSE OF TEAM PROGRAMME		

OPTIONAL WORKSHOPS: Delegates can attend **two optional workshops**. For their **first workshop**, delegates must nominate **one choice only from the WORKSHOP 1 list** below. For their **second workshop**, delegates must nominate **one choice only from the WORKSHOP 2 list** below. These workshops must be pre-booked on the registration form. Please note the ADI cannot guarantee delegates' choices.

WORKSHOP 1: 13:30 - 14:15

- Medical emergencies - Mr Gareth Lewis
- Dental photography in practice - Dr Philip Wander
- Surgical set-up - Miss Helen Batty, Miss Helen Frost, Miss Amy Miller
- Hygienist case presentation - Mrs Alison Hodson
- Audit, record keeping and logs - Dr David Speechley & Dr Phil Brown

WORKSHOP 2: 14:15 - 15:00

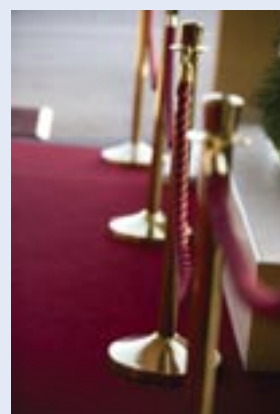

- Medical emergencies (REPEAT) - Mr Gareth Lewis
- Advanced surgery - Dr David Speechley & Dr Phil Brown
- Confidence in the workplace - Dr Simon Wright
- Presentation of ADI's consensus on peri-implant disease - Professor Nicola West
- The power of social media - Dr Robert Dyas

CONGRESS SOCIAL EVENT

To complement the scientific programmes, the [2013 ADI Team Congress](#) will be hosting an optional social event. Please read the information below and note the booking requirements.

ADI OSCARS BASH

Thursday 2 May 1930 – 0100

The popular social event promises to be **BIGGER** and **BETTER** than ever! All congress delegates and industry colleagues are invited to attend.

An evening of dinner, drinks and dancing will take place at the Alexandra Suite in the sumptuous elegance of the Midland Hotel.

The famous swing band '**Dominic Halpin and the Honey Bs**' will perform after dinner, creating a sensational party for the whole team.

As you arrive you will have your photo taken on the red carpet, and later there will be an Oscars presentation where you will have the chance to nominate fellow guests in various categories like **Best Dressed Lady** and **Best Dressed Team**, so make sure you **dress to impress!**

£75

Ticket cost per person includes:

All food Welcome drink Half bottle of wine

Dress code: Black tie. Dress for the red carpet!

Tickets must be purchased in advance on the Congress Registration Form or online.

No tickets will be sold on site. There will be a seating plan.

ACCOMMODATION

The official Congress hotel is the four-star **Midland Manchester** ②, which is adjacent to the **Manchester Central Convention Complex** ①. Preferential rates have been secured for ADI Congress delegates:

Single Room per room per night (single occupancy): £145

Double Room per room per night (double occupancy): £155

Rate includes English breakfast and VAT.

To book, please call QHotels on + 44 (0)113 205 2887. Quote 'ADI' when you call. The rooms allocated at the Midland are held up to 4 weeks prior to the event. The prices shown cannot be guaranteed if the allocation of rooms has been sold or released.

Visit Manchester has been appointed to handle all other Congress accommodation. Preferred rates have been secured for ADI delegates. Please note reservation conditions and book early to ensure your first choice.

Hotel	Star rating	Single	Twin/Double	Rate includes
③ Jurys Inn	3	£109	£119	EB/VAT
④ Hilton Deansgate	4	£125	£135	EB/VAT
⑤ Marriott Victoria & Albert	4	£135	£145	EB/VAT
⑥ Radisson Edwardian	5	£150	£162	EB/VAT
⑦ Premier Inn Portland Street	N/A	£89	£99	EB/VAT
⑧ Ibis Portland Street	N/A	£65	£65	EB/VAT
⑨ Britannia Inn	3	£75	£95	EB/VAT

EB - English breakfast

VAT - Value Added Tax

All rooms are with bath or shower

BOOK ONLINE AT www.conferencebookings.co.uk/delegate/MNCADI2013

For further information about these hotels, please call the Visit Manchester accommodation booking team on +44 (0)161 238 4514/4563 or email ABS@visitmanchester.com

Please quote reference **MNCADI2013**. If booking online, please ensure this reference is entered using **UPPER CASE**.

The special rates featured are applicable to the allocation of rooms being held for delegates reserving their accommodation via Visit Manchester. All room allocations are held up to 4 weeks prior to the event. The prices shown cannot be guaranteed if the allocation of rooms has been sold or released.

AREA MAP

TRAVEL

By Car: Manchester is at the heart of the Northwest's motorway network with easy access from all directions onto the M60, the city's orbital motorway. Once on the M60 exit at Junction 12 and join the M602 signposted towards the city centre. Follow the A57 straight on from the end of the M602 passing under a railway bridge before taking the left-hand exit to merge onto the A56 Bridgewater Way. Turn right onto Whitworth Street West at Deansgate Station and then turn left onto Albion Street. The entrance to the Manchester Central Convention Complex Car Park is through the next set of traffic lights on the left, opposite The Bridgewater Hall. This is a **NCP car park** and is open 24 hours. The address details for sat-nav are: **Lower Mosley Street, Manchester M2 3GX**.

Some hotels have car parking availability. Check when you make your hotel reservation as all hotels will state their facilities and the nearest available NCP car park.

By Rail: Manchester Piccadilly Station is a 10-minute taxi ride away, and is linked to many regional networks.

By Air: Manchester Airport is a major international air traffic hub with frequent scheduled flights to the majority of key UK, European and international destinations. A taxi to the city centre takes approximately 30 minutes, or alternatively there is a regular rail service to Manchester Piccadilly Station that takes approximately 15-20 minutes.

INFORMATION

BOOKING PROCESS:

ONLINE: Visit www.adi.org.uk/congress2013 to register. This is the fastest and easiest way to book you and your team, and to ensure immediate confirmation of your booking.

BY MAIL: Complete the attached registration form, detach and post to the ADI with payment. Cheques should be made payable to 'ADI' and enclosed with your registration form.

BY FAX: Complete and fax both sides of the registration form with credit card details to: +44 (0)20 8487 5566.

REGISTRATION FEE STRUCTURE: Attendance at the **2013 ADI Team Congress** is open to all who hold an interest in dental implantology: **Clinicians, Technicians, Hygienists, Therapists, Nurses, Practice Managers and Students**.

The fees have been structured to include: two full days of plenary scientific presentations for clinicians, one-day parallel programme for technicians, one-day parallel programme for the team, breakfast tea/coffee, morning and afternoon refreshments, hot fork buffet lunch and technical exhibition. Fees do not include the events/workshops/sessions on **Wednesday 1 May** (except the complimentary ADI Awards Presentation) or the social event on **Thursday 2 May**.

It is advantageous to **BOOK EARLY** to secure discounted rates.

REGISTRATION FORM INFORMATION: The Registration Form is for: **ONE principal Clinician (and practice team)** or **ONE principal Technician (and laboratory team)** or **ONE Nurse, Hygienist, Therapist, Practice Manager** or **Student attending independently**.

All additional team members from the principal delegate's practice or laboratory must be entered on the Registration Form and each attendee's sessions must be stated.

NON-ADI MEMBER: Non ADI members should consider joining the ADI to gain concession on the registration fee. Contact the ADI for membership details prior to registration.

CPD: CPD-verified certificates will be available to download after the completion of the appropriate online evaluation form. Full Congress attendance offers up to 17 verifiable hours of CPD.

CANCELLATIONS: Delegates who cancel after their registration has been processed will be refunded the fee minus a £40 administrative charge. Cancellation **MUST** be notified in writing and received by 1 April 2013 after which date no refund of fee can be guaranteed. Written substitutions and/or name changes can be made until 22 April 2013. Please email info@adi.org.uk or write to **ADI, 98 South Worpole Way, London SW14 8ND**.

CONGRESS REGISTRATION FORM

To book, please simply visit www.adi.org.uk/congress2013
Alternatively please complete both sides of this form.

Step 1: PRINCIPAL DELEGATE DETAILS

Title: _____ First name: _____ Last name: _____

Profession: _____

Address (Non-Member only): _____

_____ Postcode: _____

DENTSPLY Implants – the new powerhouse in implant dentistry

DENTSPLY Implants is the union of two successful and innovative dental implant businesses: DENTSPLY Friadent and Astra Tech Dental*.

DENTSPLY Implants offers a comprehensive line of implants, including ANKYLOS®, ASTRA TECH Implant System™, and XiVE®, digital technologies such as ATLANTIS™ patient-specific abutments, regenerative bone products and professional development programmes.

DENTSPLY Implants is built upon the fundamental values of open-mindedness, a thorough scientific approach, a dedication to long-term clinical evidence and a

strong customer focus. Our current DENTSPLY Friadent and Astra Tech Dental customers can rest assured knowing that the world-class products they know will continue to be supported.

We are confident that dental professionals around the globe will come to recognise DENTSPLY Implants as their new partner of choice for integrated implant solutions, dedicated support and better patient care.

We invite you to join our journey to redefine implant dentistry.

*DENTSPLY Implants launches in the UK and Ireland October 2012
