

ADI Team Congress 2017 - 2-4 March 2017 - ExCeL London - Deadline: 6 January 2017

Our LeadScan systems help connect buyers and sellers by providing you with additional data on visitors to your stand. A simple scan of an attendee's registration badge unlocks valuable contact information that's linked to the barcode on their badge.

Small, handheld scanners that store all your leads in its internal memory, giving you a convenient, portable, wireless form of lead storage.

The hand-held barcode scanner system is simple and easy to use. At the end of the event we will retrieve sales leads you have scanned and supply data to you via email no later than 5 working days after the event.
